

Local Data Briefing:

LGBTQ Youth in Washington County

Wednesday, February 27, 2019 from 8:30-10:00 AM

Thundermist Health Center of South County,

Community Room

1 River St. -Wakefield

Elana Rosenberg, Exec. Director of Youth Pride, Inc., (YPI) will share relevant local and national data reflected in the stories and experiences of RI youth. Elana began working at YPI as the GSA (Gay Straight Alliance) Network & Programming Coordinator in 2007. In that role, she organized center programming, provided professional development to RI school educators & administrators, and managed the statewide GSA Network for 5 years. After serving as a member of the Community Investment team at United Way of RI, Elana returned to YPI in November 2017, as the organization's Executive Director. She holds a BA in sociology from Smith College and a MS in College Student Personnel from Miami of Ohio University.

Following the data presentation, **Scott Mueller**, *Asst. Professor of Social Work at Rhode Island College*, will facilitate a panel discussion with area professionals supporting LGBTQ youth/young adults throughout Rhode Island.

Attendees will leave with a better understanding of the issues facing LGBTQ youth, as well as available resources and next steps.

Join us for a thoughtful presentation and insightful discussion!
